§ 1240.41 Assessments.

(a) *Domestic honey and honey products.* The assessment rate on honey produced in the United States and handled shall be 1 cent per pound of honey produced.

(b) *Imported honey and honey products.* The assessment rate on honey or honey products imported into the United States shall be 1 cent per pound of honey or honey products imported. The importer of imported honey and honey products shall pay the assessment to the Board through the U.S. Customs Service at the time of entry of such honey and honey products into the United States. Should the U.S. Customs Service fail to collect an assessment from an importer, the importer shall be responsible for the payment of the assessment to the Board.

(c) *General.* (1) Except as provided in § 1240.42 and in paragraphs (c)(2) and (e) of this section, the first handler shall be responsible for the collection of such assessment from the producer and payment thereof to the Board. The first handler shall maintain separate records for each producer's honey handled, including honey produced by said handler.

(2) Producer-packers shall pay to the Board the assessment on all honey or honey products for which they act as first handler, in addition to the assessment owed on honey they produce.

(3) Should a first handler fail to collect an assessment from a producer, the producer shall be responsible for the payment of the assessment to the Board.

(4) Assessments shall be paid to the Board at such time and in such manner as the Board, with the Secretary's approval, directs pursuant to this part. Such regulations may provide for different handler, importer, producer, or producer-packer payment schedules so as to recognize differences in marketing or purchasing practices and procedures.

(d) *Late payment.* (1) There shall be a late-payment charge imposed on any

importer, handler, or producer-packer who fails to remit to the Board the total amount for which any such importer, producer, or producer-packer is liable on or before the payment due date established by the Board. The amount of the late-payment charge shall be set by the Board subject to approval by the Secretary.

(2) There shall also be imposed on any importer, handler, or producer-packer subject to a late-payment charge, an additional charge in the form of interest on the outstanding portion of any amount for which the importer, handler, or producer-packer is liable. The rate of interest shall be prescribed in regulations issued by the Secretary.

(3) Persons failing to remit total assessments due in a timely manner may also be subject to actions under federal debt collection procedures.

(e) *Honey under loan.* Whenever a loan is made on honey under an USDA loan program, the Secretary shall provide that the assessment be deducted from the proceeds of the loan or the loan deficiency payment, if applicable, and that the amount of such assessment shall be forwarded to the Board, except that the assessment shall not be deducted by the Secretary in the case of a honey marketing cooperative approved by the Department's Commodity Credit Corporation that deducts the assessment from its member producers. As soon as practicable after the assessment is deducted from the loan funds or loan deficiency payment, the Secretary shall provide the producer with proof of payment of the assessment.

(f) *Advance payment.* The Board is authorized to accept advance payment of assessments by handlers, importers, or producer-packers that shall be credited toward any amount for which the handlers, importers, or producer-packers may become liable. The Board is not obligated to pay interest on any advance payment.
